Stroke Survivor Series

SIH Brain & Spine Institute provides an exciting opportunity for stroke survivors, caregivers and family.

The *'Stroke Survivor Series'* consists of six sessions, allowing those who have been affected by stroke to interact with regional stroke experts and other stroke survivors.

SIH Herrin Hospital hosts one informational program every month for six months to support local stroke survivors.

Session Details

SIH Herrin Hospital

Conference Rooms B/C

1st Monday of each month

1:00-3:00 PM

(if it's a holiday, will be 2nd Monday)

Series Information

The entire program repeats after the 6th session. If you miss one, feel free to attend the corresponding session in the next program.
